And It Was So, bridges Biblical truth, scientific findings, and multigenerational relationships. The three poetic lines may be read in any sequence inviting the fun of reading out loud and face to face dialog even in our private high-tech culture. Poem and art reveal a gracious and orderly God who fashioned an orderly and consistent universe enabling exploration of our physical and spiritual worlds. Each illustration hides the Alpha and Omega symbolizing the unseen but ever-present God. The Sacred Snacks provide additional data and scientific findings that older children and adults can appreciate. Any age can grow in wisdom and faith while enjoying the rhyme, art and mystery of
