And It Was So

Not JUST a Children's Book

Bible Texts • Triangle Poetry • Sacred Snacks

Vibrant Art • Multi-Generational

Understanding leads to Wisdom

\$35.95

And It Was So, bridges Biblical truth, scientific findings and multi-generational relationships. The three poetic lines may be read in any sequence inviting the fun of reading out loud and face to face dialog even in our private high-tech culture. Poem and art reveal a gracious and orderly God who fashioned an orderly and consistent universe enabling exploration of our physical and spiritual worlds. Each illustration hides the Alpha and Omega symbolizing the unseen but ever-present God. The Sacred Snacks provide additional data and scientific findings that older children and adults can appreciate. Any age can grow in wisdom and faith while enjoying the rhyme, art and mystery of

And It Was So.

"I just finished a thorough review of "And It Was So." You and Kat are to be commended for producing an extraordinary work that is informative, inspiring and true to the Biblical record in every way."

Tim, California

"The inspirational, connective and reflective poetry is scripture based and points to the Trinity, Creator of the Universe! Your book is a genuine keepsake and will captivate the reader for years to come!"

Terri, Michigan
